SUMMARY

Motivated and detail-oriented accounting student with a strong foundation in financial principles and a commitment to continuous learning. Successfully passed 7 exams of ACCA, demonstrating a strong grasp of core accounting, financial reporting, and management principles, while developing a comprehensive understanding of the complexities of the finance industry. Adept at grasping new concepts quickly and applying them effectively.

OBJECTIVES

To contribute to an organization that values growth and development by leveraging my academic knowledge and passion for accountancy and finance. Eager to gain hands-on experience, build practical expertise, and add value through dedication and a proactive attitude.
